DEDICATION

AS underclassmen, we were daily awed by the Seniors' scholarly discussions of "dramatic economy" and "hendiadys." Eagerly, but with some apprehension, we looked forward to our first class under Mr. Smith. When at last our anticipation was realized, we listened for a word that legend decreed would come, as *indeed* it did. Manfully we suffered through mythology hour tests and *Macbeth* reviews. And our themes!—After correction they resembled Persian mosaics.

With the retirement of Mr. Smith an era ends. We shall never return as alumni without missing his effervescent but grammatically correct presence. With all good wishes for a happy and fruitful future and many thanks for an enriching past, we, the Class of 1953, do dedicate our yearbook to our teacher and friend, Louis E. Smith.

FOREWORD

WE have just completed four years of our lives, years that we can never relive. Nor can we ever forget them. Behind us lie many memories, some that we recall with nostalgia and others that we wish we could erase. However we feel about them, we shall have them the rest of our lives.

This book cannot pretend to record all the memories that each of us has gathered in the past four years. If it did, publication would run into nine or ten volumes. But it can awaken memories. Each page has something that will recall a private memory to each individual reader. This is the real purpose behind it. With this purpose in mind, go through it now and in the years to come. Each reading will recall a life that was Maunt Hermon—a life we have lost, but which will always remain with us and within us.

DR. HOWARD LANE RUBENDALL
Dickinson College, Union Theological Seminary
B.S., B.D., D.D.

IN APPRECIATION

AS we think back over our four years at Mount Hermon, Registration Day of our first year looms vividly in our memories. We recall that on that day the whole world seemed to be revolving crazily about our confused heads. Events flashed by so swiftly that we were dazed by their rapidity. However, through it all, we watched one man remain stable, calm, and unruffled. This was our real introduction to Dr. Rubendall. Quietly, but confidently he presided over the frenzy of the opening days. Firmly he guided us into a common channel and directed our efforts and energies to a common cause—another successful year at Mount Hermon. It was with the realization of this goal that we came to know and respect his energy and ability.

The handshake that Dr. Rubendall gives to students as they enter and again as they graduate symbolizes his intense feeling for the student. With one brief handclasp he lets each of us know that he will sincerely labor in our behalf. He assures us of his willingness to accept confidence and to advise us frankly and honestly on problems which may arise in our lives at Mount Hermon. The second handclasp communicates a message of congratulation and good wishes—congratulation because the graduate has labored four years for this culminating moment; good wishes because the labor has prepared the student for the seeking of difficult goals.

For his untiring efforts in our behalf, for his kind advice during times of stress, for his friendship to all of us, we wish to extend our warmest gratitude to Dr. Howard Lane Rubendall.

CLASS HISTORY

THE first hectic day of our stay on the hill is as well remembered as our last. We were dazed by the long, whirling process line in Holbrook, but were soon brought to our senses by the "vigorous" handshake of the tall man with the deep voice. We journeyed to the store, where we were again dazed, but once more brought sharply to our senses, this time by the price of the piles of books in front of us. Heavily burdened, we staggered across the road to the cottages. Here we asked, "Which end is number one?" Before we finally fell asleep that night, we had definite ideas concerning our exclusive ownership of Mount Herman. The old students returned the next day, and all our cherished dreams were rudely cast to the ground in pieces.

We learned a lot that year. We were instructed in the fundamentals of study, room cleaning, and handling a shovel, both in the barns and in the classroom. We picked up the basic principles of rabble on our own and learned the hard way how to get along with table heads. Our class took identity as Johnny Leyden became class President. We held our Freshman class party, and it was a frankly dismal affair. The next day it was confirmed that all Sem freshmen were "out of this world." (Same cynical boys were heard to mention the term "unearthly.") At least we were all Don Juans.

After gaping through Vespers, Sacred Concert, and Interscholastics, we swallowed the bitter pill of finals and left for home.

Sophomore year and Overtaun—what a year! Our new home soon settled down to the peaceful silence of an overtime boiler factory. One o'clock parties resulted in weekly ultimatums from Mr. Wyman. We waved affectionate farewells to several of our more spirited classmates and tried desperately to uphold their records. Six o'clock clean-ups did not offer us much encouragement.

Our second year also saw a revamped social life. Owing to the untiring and persuasive efforts of our class advisers, Mr. and Mrs. Ward, we soon perceived that last year's out-of-this-world girls had changed considerably and were now the best sophomore class at Northfield at that time.

Spring came and sped by, attended by Sacred Concert and Interscholastics. Finals were easier. Sophomore year could be summed up as "a lot of fun."

In Junior year we were treated to a few new faces that replaced some missing ones—"Diamond Dave" Jewell and his famous Bible Ill course, "Sir Hugh" Silk and his red herrings, "Butts" Burney and his cloud of smoke, and "Chico" Spanos and his jazz records. These and others descended upon the Hill.

Before we became firmly settled as upper-classmen, we marched in a stalwart line to Shaddow Lake, determined that this year . . . it took the Senior musclemen 4:25 minutes to wet us all.

We had a very successful first semester. The football team, blessed with thirteen Juniors, had an undefeated season. The cross-country squad, led by four Juniors, went undefeated and captured the New England Championships. As we reflected upon these facts, Christmas vacation sneaked stealthily up behind us, beating a dishpan. Chogrined, we left for home.

We returned to green blackboards and sound-proof ceilings. Amazed, we discovered that we could flunk tests just as well in these pleasant surroundings.

Several organizations sprang up on campus, among them the "Rippers," a club which specialized in ripping T-shirts from unsuspecting passers-by. The President of this idealistic club, Lee Poole, had the hilarious experience of ripping his own T-shirt from someone else's back. After a hectic winter term, we once more departed to the evils of civilization.

The spring term was too much for us. We saw hard-boiled Seniors becoming sentimentalists. Often we caught a varsity footballer gazing starry-eyed at the rolling hills across the valley. Dubiously we asked ourselves if we would ever descend to that state.

Before long we found ourselves taking the helm from the expiring Seniors. Lindfors was elected Students' Council President, Leyden received the Presidency of the Senior Class, and Lange and Sharp were chosen *Gateway* and *Hermonite* editors. Some of us even got to be table heads. Finals loomed ahead of us, but we somehow found time to drop Coke bottles out of our windows onto Crossley's walk, practice for Sacred Concert and *Patience*, train for our successful Interscholastics, and dream of summer vacation. At last it came, and we left enthusiastically to test the metal in the fenders of our fathers' cars. Many of us found that it was not as tough as we had expected, but insurance covered that.

With cigarettes in one hand and all our parents' savings in the other, we invaded Hermon's hill for the last time—the last for most of us, at least. October came quickly. We marched confidently to the banks of Shadow Lake and watched the Juniors dive for salamanders. Mountain Day came a little later in October than usual, but it was a holiday, at any rate. In the silliest display of clothing imaginable, we piled into the waiting faculty cars and roared off at top speed, with Harry Hueg leading the pack in "The Green Beetle." Special mention should here be given Dr. Rubendall, for this was the first time in eight years that he didn't get lost en route. After walfing down the meal so diligently prepared for us by the loving hands of the faculty chefs, we were ready to climb. "Maurice" Lange, Scotty McLeod, and Bob Lloyd took off like homesick angels and reached the top in that order. It was a tired, but happy class of Seniors that didn't do its assignments that night for the next day.

Mountain Day was followed by the two biggest football games of the year, Exeter and Deerfield. The former was a complete walkover, with Hermon doing the walking, 47-7. Then the entire Mount Hermon community traveled to Deerfield for the annual classic game. Fighting against the tremendous spirit of Mount Hermon, Deerfield experienced little difficulty in keeping its own score, which was 0. Mount Hermon rolled up 27 big points. With this victory, the Class of 1953 established the record of never having seen its football team get dumped by the Green.

We were sitting in Christmas Vespers when we realized that the first semester was actually over already. The "Well done" address completed, we scaled the walls and were on our way.

If the fall term went swiftly, the winter term flew. College acceptances began coming in. Late lights became the order of the day. Soon March weather broke up the long winter. We sang in the Glee Club Festival, took our college boards (They took us.), crammed for Friar Whyte's Bible IV test the day before vacation, had a little friendly rabble, and bee-lined for home.

We entered the gates as students for the last time on April 7. When again we passed through them, we hoped to have sheepskins under our arms. With Spring in full bloom, we turned to lacrosse, baseball, broken windows, last semester marks, and thoughts of love. With the last in mind, we attended the annual Gateway dance. The lights were dim, and a good time was enjoyed by all.

The ugly word "finals" soon crept to our lips. Immediately dark towels and pieces of cardboard were tacked to transoms. We shoveled through the two-hour monstrosities in traditional style. The Chateau dance finally arrived, and we danced in the picturesque rooms of the French palace.

Two days later, on Sunday, June 7, the Class of 1953 ceased to exist. We warmly bade good-bye to friends of the past four years, but to Mount Hermon we shall never say goodbye. Rather, an affectionate *au revoir*, for we shall meet again.

CUM LAUDE

THE best criterion of secondary school excellence is the Cum Laude Society, not only because it rewards outstanding academic achievement, but because it also recognizes unusual character, citizenship, and extra-curricular participation. The recipients of this distinguished award must sacrifice hours of extra time to their studies in order to achieve it, but must also give time to school activities. For this dual reason we wish to extend congratulations to the members of Mount Hermon's 1953 Cum Laude Society.

STUDENTS' COUNCIL

UNDER the able leadership of President Kenneth Lindfors, the Students' Council has done a great deal this year for the general betterment of Mount Herman school life. This body of twenty-six elected representatives, working under the new constitution, has sponsored such new features as the "Big Brother" movement, the Atlantic Refining Company Safety Driving Program, and the revised Herman handbook. Its members have had an ideal opportunity to develop leadership, judgment, and to get good experience in sound, coöperative student government. In dealing with the many problems which arise during the school year, the Council has shown that it truly represents the student body. This is illustrated by the fact that most of the ideas which the Council has weighed, discussed, and voted upon have been brought up at weekly floor meetings before being aired by the Council at its meetings. This year, possibly for the first time, the students as a whole have

been able and willing to play an active part in their student government.

Among the many accomplishments of the Council were the construction of a macadam walk from South Crossley to the library and the installation of lights between Beveridge and Overtaun Halls. This year's Council also provided buses for the football games and obtained cheerleaders from the Northfield School for home games. Work was also begun on the designing and formal adoption of an official Mount Hermon School seal.

Student interest in the Council has been high this year. Many boys have had an opportunity to see the Council in action when their floor was invited to sit in on a meeting. There has also been much enthusiasm in the Driving Program and intramural basketball league. With a full year under the new constitution completed, Hermon has had a Student's Council of which she can be justly proud.

DEBATING FORUM

UNDER the leadership of William Russell and the capable guidance of its adviser, Mr. Harry A. Erickson, the Debating Club has added another successful year to its long record. The fall activities were concerned mainly with organization and preparation for the interscholastic debates which the club held. A new item on the club agenda has been the holding of debates with teams from the Northfield School.

STUDENT DEACONS

THIS group of mature and responsible students, hand-picked from the Junior and Senior classes, is well-known on campus. In addition to taking the collection and acting as servers in Holy Communion services, the Deacons perform numerous behind-the-scenes duties. They also represent Mount Hermon at various student religious conferences, both here and at other schools in New England.

WITH on enrollment of almost two hundred students, the Mount Hermon Outing Club was once again the largest extra-curricular organization on campus. Under the competent and energetic leadership of Dr. Edmond S. Meany, adviser; David Walker, president; William Lange, secretary; and Randolph Peyton, treasurer, the Outing Club found it possible to make numerous and diversified activities available to its members. The club proved its value to the school by its sponsorship of projects and special events throughout the year.

For those members of the club with particular interests, two divisions were formed. Augustus White led the hiking and mountain climbing group, while Glenn Warner headed the skiing and skating division. Another club in which interest ran high was the now two-year-old Rifle Club. Mr. Compton is the adviser of this rapidly-growing organization, and Pete Bokker is president.

In order to raise funds, the Outing Club sold

programs and refreshments at such school activities as football games and square dances. A large part of these funds went to purchase movies pertaining to conservation, forestry, wildlife, and outdoor recreation. The annual snow sculpture contest on Founder's Day was sponsored by the Outing Club, which furnished the pies for the winning team. It also embarked upon a project to obtain a warming house and lights for Shadow Lake skating parties. Several skating parties were held this year, as well as the annual spring cabin party, a picnic enjoyed by those members having the most work credits on club projects.

ORCHESTRA

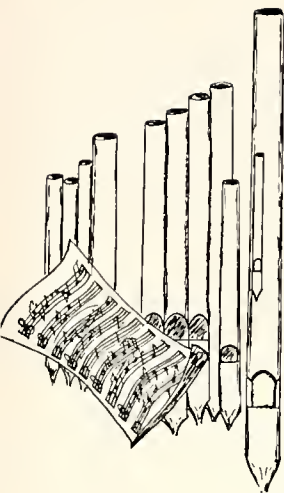

UNDER the very capable leadership of Mr. Milton Aronson, the Mount Hermon classical orchestra repeated its fine tradition of presenting good music to the Northfield Schools. Although the orchestra lost a good many members at graduation last year, their places were ably filled by new students. The amount of work necessary to prepare an orchestra for a concert can hardly be overestimated, but the members gave their time willingly, on Tuesday nights as well as Wednesday afternoons at Northfield. The group played an integral and highly-appreciated part in Sacred Concert. It wound up its successful year by playing in conjunction with the Glee Club at Commencement time.

BAND

PLAYING in its handsome maroon-and-white uniforms, the Mount Hermon band enjoyed another successful year. Off to a slow start, the organization soon played an active role in campus life. Mr. Arch Swift, the group's tireless conductor, directed the band in playing spirited marches. On the bandstand, in assemblies, and at pep rallies the band did much toward inciting the football team to its overwhelming wins on the home field. During the winter season, the band concentrated more upon the famous works of well-known composers.

Praise should be extended to each band member for his unselfishness in giving Mount Hermon a fine school band.

CHOIR

WITH the graduation service at Commencement, the Mount Hermon Choir completes another outstanding year of leading the school in sacred music. To Mr. Albert Raymond, director, and Mr. Carleton L'Hommedieu, organist, goes the credit for preparing the choir for its presentations throughout the year. These men contributed untold hours of their own to the success of the choir.

Mr. Raymond, after holding several tryouts in the late fall, selected the following boys to compose the Triple Quartet: Lee Poole, Andy Porter, Bill White, first tenors; Richard Cass, Karl Eckel, Jim Judson, second tenors; Bob Ashcraft, Bob McDade, Reuben McDaniel, first basses; and John Leyden, Ken Lindfors, Brian Olsen, second basses.

With the opening verse of "Sing We Noël," the choir, on December 14, began a Christmas Vespers service that will long remain in the memories of graduating Seniors. On Christmas eve the program was broadcast in Providence.

On May 10 the choirs of both schools, with both student bodies, presented another memorable service, the annual Sacred Concert.

GLEE CLUB

THE Glee Club continued to be one of the most popular activities at Mount Hermon. Monday night rehearsals boasted about one hundred boys. As in the case of the choir, Mr. Albert Raymond and Mr. Carleton L'Hommedieu are responsible for the outstanding singing.

During the winter term, the active membership was cut to about seventy-five boys. This group presented two concerts in February, one at Northfield and one in a Thursday assembly at Mount Hermon. Then, on March seventh, the Mount Hermon Glee Club combined with the Glee Clubs of Deerfield Academy, Kimball Union Academy, Lenox School, Vermont Academy, and Williston Academy to present the increasingly popular "Festival of Music" in the Northfield auditorium. The program received even more acclaim than it had the previous year, when it was established. It now promises to become another of Mount Hermon's fine musical traditions.

The Glee Club ends a successful season with the commencement concert, given in conjunction with the Glee Club from Northfield.

RAILROAD CLUB

THE newest club on Hermon's campus is the Railroad Club, formed by a group of boys with a keen interest in this fascinating hobby. Under the guidance of Mr. Bauer and Mr. Jewell and the presidency of Dennis Reichenberg, the group grew into a well-organized club. To bring money into the club treasury, stocks were sold, and dues were levied. When the school gave the club three rooms in the basement of Recitation Hall, it purchased the equipment necessary and began construction of a full-size HO-gauge layout. It also sponsored exhibits in the library and showed movies of scale and model railroading. The club ended its year with an inspection trip to the Brattleboro freight yards.

FRENCH CLUB

NOW in its seventh year of existence, the French Club, a joint Northfield-Mount Hermon extra-curricular activity, continues to afford students a deeper appreciation of French language and customs than is possible in the classroom. The club, open to all students who show an active interest in matters *à la français*, conducts its meetings almost entirely in French. Informative talks are given in French by persons familiar with the Gallic section of Europe.

Well-deserved thanks are due Mr. McVeigh, Mr. Heffley, and Miss Taylor of Mount Hermon; and Miss Liniger and Miss Reynolds of Northfield, whose wisely-guiding hands have made the French Club interesting and enjoyable.

First row: D. Pearson, R. Jensen, E. Hausamann, C. Lehmon, P. Owen, T. Landshof. Second row: W. Burgess, G. Conoble, B. Johnson, S. Rogers, J. Leonard, R. Clapp.

INTERNATIONAL CLUB

THE International Club is composed of both foreign and American boys who wish to learn more about their international neighbors' customs and habits, with a view to better understanding of world situations and problems.

Under its faculty adviser, Mr. Orvil Mirtz, who has had long experience in the international field, the club sponsored movies and many informal gatherings. Guest speakers were procured to relate their personal experiences in other lands. During the year, many members spoke to various church groups in neighboring towns.

The International Club must be commended for its promotion of international good fellowship and furtherance of understanding.

CAMERA CLUB

LED by Erwin Hausamann, the Mount Hermon Camera Club held its meetings on Friday nights. During the meetings, different phases of photography were discussed, beginning with fundamental principles and proceeding to more complex problems. Movies and demonstrations formed a considerable part of each meeting's program. Many other activities created active interest for the enthusiastic photographers. Among these were exhibits in the library, a contest for high school students, and a contest for the members of the club. The club's adviser, Mr. Dean Stevens, did an excellent job of coaching and was instrumental in bringing the club up to its present high standard.

HERMON PLAYERS

THE Hermon Players have added another successful year to their history. The Players opened their season on November 28 with *Gramercy Ghost*, a two-act comedy. Doing excellent interpretations in their leading rôles were Anne Eubank as a young heiress, Edward Hasbrouck as her egotistical fiancé, and Arnold Warren as the young newspaper reporter who eventually wins her love.

On February 27, the Players presented *Our Town*, the most famous play by Thornton Wilder. Again they were received enthusiastically. The leading rôle of Stage Manager was superbly handled by Arnold Warren, with Charles Bloke and Dorothy Kelly playing the two leads of Emily and George.

Although the latter play required no set construction, the fall play had a very well-executed set constructed by the stage crew. This unheralded group of boys gave untold hours to the building and painting of the back-drap.

The practically flawless presentations of both plays must be attributed to the efforts of the directors, Mr. William Morrow and Miss Martha Flint, who coached the group with a knowledge gained from long experience.

First row: B. Mackey, T. Gleason, J. Tildon, C. Bloke, A. Warren, J. Roberts, N. Doolittle. Second row: D. Pearson, R. Boyle, C. Gold, P. Puddington, R. Weed, S. King, A. Pearl.

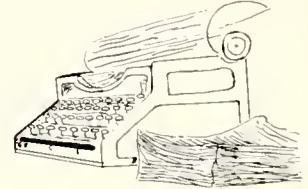

HERMONITE

THE 1953 *Hermonite* has well fulfilled its purpose in providing the Mount Herman campus with a student newspaper which truly represents the entire student body. Although hampered by deadlines, it has reported the campus news as accurately and as swiftly as possible.

Much credit is to be given Ran Sharp, editor, who has given innumerable hours to the success of the paper. Owing to his unceasing effort and thought, the paper has come up with many interesting innovations. Few of these, however, would have been possible without the guiding and wisely-restraining hand of Mr. John Williams, the *Hermonite's* faculty adviser.

Under the direction of Demas Antoniou, the sports section has contained material on every athletic contest, no matter how insignificant it might have been. Erwin Hausamann and Frank Foster have provided excellent pictures.

As proof of the *Hermonite's* worth, it must be pointed out that, out of a large field of secondary school publications, the *Hermonite* placed first in the Columbia Press Ratings.

GATEWAY BOARD

PERHAPS one of the most dependent persons in the world is the editor of any publication requiring much time and effort to produce. He is entirely dependent upon his staff for the material which must be collected between the covers of his book. He is required to place his fullest confidence in his staff for the right material at the right time. 1953's Gateway board has not belied this trust. Charles Brown and George Robb have been outstanding in their tasks as business managers. Their money-raising efforts have made the book itself possible. Good sports coverage has been provided by Ross Boyle and Robert Hendry, who were often called upon to deliver stories on short order. Erwin Hausamann's photography work, which he spent many hours on, speaks for itself. Art editors Frederick Kumm and Edward Hasbrouck took on an added task this year, as many additional art spots were required, but they have done admirable work. Board writers have cooperated to the fullest extent in handing in stories on time and planning the Gateway dance. Last, the whole board joins in extending warmest gratitude to Mr. John Baldwin, whose long experience and patience have helped immeasurably at board meetings. The publication of this book would have been quite impossible without the benefit of his advice.

Left to right, top to bottom: Mr. John Baldwin, Adviser. William Lange, Editor; Charles Brown and George Robb, Business Managers, and Richard Weyte, Staff Writer. Ross Boyle and Robert Hendry, Sports Editors, and Edward Hasbrouck and Fred Kumm, Art Editors. Erwin Hausamann, Photography Editor; Richard Chase, Stewart Crawford and William Dodge, Staff Writers. ALUMNI ASSOCIATION

FEW of us realize the importance of the Alumni Association until we become alumni ourselves; but we do know that this organization plays a tremendous part in the life of Mount Hermon. Each year, for instance, the total sum contributed by appreciative alumni to the Living Endowment Fund equals the income from an investment of more than a million dollars. Without this, Mount Hermon could hardly carry forward its program with such vigor.

The Executive Secretary of the Alumni Association is the Reverend Lester P. White, class of 1920. He is responsible for keeping all alumni well-informed concerning their alma mater. He also edits the quarterly *Alumni News*, which is sent without charge to the 10,000 alumni who are scattered over 48 states and 42 foreign countries. Also, he visits local clubs to stimulate personal relationships between them and the school.

The reason for the intense loyalty which the alumni show toward the school was well understood by us even before we became Seniors. But the continuation of this faithfulness and its consequent generosity is largely due to the work of the Alumni Association.

ATHLETICS

FOOTBALL

THE 1953 Mount Hermon football squad proved to be one of the most spirited and finished teams ever produced on the hill. Captained by Karl Eckel and under the coaching of Messrs. Rineer, Westin, and Stearns, the team finished a tough schedule with a record of five victories, one tie, and one defeat.

The offensive unit of the two-platoon system, working from the winged-T, but employing several special formations as well, combined hard, straight, rugged football with deceptive "razzle-dazzle" plays. Bobby Bates smashed the line with a crushing force that produced many long gains. Ashcraft, deftly handling the ball under the T, often broke through the line himself on quick-opening plays, while John Bollin and Bill Holmes often skirted the ends on reverses or galloped for many yards by bucking off-tackle. Ashcraft completed a majority of his passes to ends Reuben McDaniel and Fred Budarz and backs Holmes, Bates, and Ballin. The success of the offense, however, depended on the line, where most games are won or lost. The dogged determination of Hermon's line enabled the backs to break through for the so-often-witnessed long runs during the season.

The defensive unit included Budarz, Corbett, Fitzgerald, Keith, Brown, and Beers in the line, with Heywood and Ross also seeing much action there. Backing up this powerful forward wall

First row: T. Gleason (Mgr.), C. Moclvor (Mgr.), R. Ashcraft, F. Budarz, D. Bennett, K. Eckel (Capt.), W. Keith, M. Brown, W. Holmes, J. Leyden (Mgr.), P. Garrett (Mgr.). Second row: Mr. Waterman (Trainer), Mr. Rineer (Coach), R. Chutter, R. Bornard, M. Fitzgerald, H. Stiles, D. Lanphear, R. George, R. Peyton, R. Haward, R. Beers, R. Conant, R. Beck, S. Heywood, C. Wood, K. Scruton, Mr. Westin (Coach), Mr. Stearns (Coach), R. Rothstein, R. Engvall, R. Huckabee, E. Kennon, P. Farrington, C. Weist, A. White, N. Porter, R. McDaniel, P. Corbett, R. Bates, J. were Ballin, Bates, Bennett, Peyton, Stiles, and White. The defensive platoon did an excellent job of halting better-than-average running attacks, although the pass defense was occasionally found wanting. Proof of the overall effectiveness of the squad is seen in the fact that, compared with a Hermon season total of 206 points, the opposition scored only 96.

The Rineermen opened their season with a 25-20 win over Cushing Academy. Running true to past years' form, Cushing proved to be a dangerous team to open against. They began by

pushing across a touchdown and converting successfully. Hermon had a hard time getting moving. It took the threat of a second Cushing tally to put the Maroon team back on its feet. Sparked by the running of Johnny Ballin and Billy Holmes, Hermon marched ninety-eight yards downfield. Holmes took the ball across for the first touchdown of the year. Soon after, Bob Bates intercepted a pass, and Ballin plunged across for the second. The third period was scoreless, but early in the fourth, Bill Holmes dashed across for his second score. The conversion was unsuccessful, but Hermon led 18-7. Then Cushing, with a quick series of hard-hitting plays, closed the lead to four points. Billy Holmes then made the most spectacular run of the year, gathering in the kickoff on his own ten and galloping ninety yards to paydirt. It was his third touchdown of

the afternoon. Cushing scored again late in the fourth quarter, but the victory-bound Hermonites were beyond overtaking and left the field the winners by a close margin in their opener.

The following week the Maroon traveled to Easthampton for its first away game of the year. After a shaky first half, Hermon made a shambles of the game, beating Williston by a 34-6 score. The only touchdown of the first half came on a pass from Ashcraft to Bates. However, in the second half, an entirely rejuvenated Maroon squad took the field. They pushed the ball across the final white stripe four times before Williston knew what had hit them. Bollin tallied first on an end run. Holmes then dashed fifteen yards for Hermon's third touchdown of the day. As the fourth quarter opened, Bob Ashcraft hit the line on a quarterback sneek. Coach Rineer then substituted the second and third teams, which proved more than a match for the dispirited Williston regulars. Kent Scruton skirted end for twenty-six yards in one of the prettiest plays of the afternoon. Deane Lanphear converted three out of four extra points, and Beers passed for the other. With the score 34-0, Williston finally got a touchdown, but missed the conversion. The game ended seconds later.

On October 18 Mount Hermon met Exeter Academy, a new foe on the Hermon schedule which failed to live up to its advance notices. Facing what they expected to be a fight to the finish, Hermon completely inundated Exeter 47-7. The game was never a contest, but merely a Hermon scoring spree. Billy Holmes tallied three

times on runs of sixty-five, sixty-three, and twenty yards. Bob Bates and Johnny Ballin each chipped in with two touchdowns to aid the cause, and Lonphear converted five extra points. The blocking in the line and secondary was excellent, a factor which contributed largely to the success of the ball-carrying backs. A jubilant Hermon team left the field at the end of the game, pleasantly surprised at its overwhelming defeat of such a highly-touted team as Exeter.

The next two weeks were the dark ages for the Hermon gridders. Traveling to Choote on October 25, the Moroon met a strong Choote team, a lot of bad breaks, and their first defeat in fourteen games. Dogged with penalty after penalty, which checked every Hermon advance, the team bogged down axle-deep and could not get started. Choote scored early in the first period, but the Moroon, running Ballin on a line plunge, quickly retaliated. Both teams missed the extra point. At the half, the score was still 6-6, but in the second half, the big Choote team came onto the field with determination in its eyes. It pushed Hermon against the wall repeatedly and scored twice more, to lead the Moroon 18-6. Hermon scored once in the second half, but the ball was called back because of a clipping penalty. From then on, the offensive squad was incapable of doing anything, although the defense stiffened, too late. The game finally ended with Choote on the long end of an 18-6 score. The glaring flaw to be found in this game was poor tackling. Combined with this was an obvious loss of spirit.

The Moroon team, still in a state of shock from its defeat of the previous week, showed little of the football it was capable of in its tussle with Kimball Union Academy at Meriden. John Ballin was the bright light in an otherwise dim afternoon. He scored on the second play of the game, giving Hermon a lead which it was unable to protect. KUA drove eighty yards for a tally in the same period and followed it up with another score early in the second period. Billy Holmes circled end in the third stanza for the tying score. Again Ballin gave Hermon the lead, as he scored his second touchdown of the day,

but KUA came marching right back against the impotent Hermon defense. The score was 21-20, with the game riding on the success of KUA in scoring the extra point. However great the tension must have been on Shaw, KUA's extra point specialist, he booted the ball cleanly through the uprights, giving KUA a tie game and a moral victory.

In the warmup game for the annual Deerfield contest, Hermon at last got back on the winning trail at the expense of Vermont Academy. In a high-scoring contest which saw a little of everything, including a snowstorm, the Moroon came out on the upper side of a 46-24 score. Hermon opened fast, scoring on their first series of plays,

with a pass from Ashcraft to Holmes putting the ball across. It was Ashcraft's day for passing, as he hit twice more in the first half with touchdown passes. In the first quarter he found Phil Farrington with one, and in the second period, he saw Johnny Ballin open in the end zone and chucked him a TD pass. Bob Lunetta scored the first Vermont touchdown on a spectacular 85-yard dash which brought the crowd to its feet. The first half ended soon after. In the third period, Hermon scored three more touchdowns, two of them by John Ballin. First John galloped forty yards and later caught Bob Ashcraft's fourth touchdown pass of the day. Reuben McDaniel

gathered in the next Ashcraft pass in the end zone for the team's sixth touchdown. Vermont also found the range in this period, scoring two touchdowns against Hermon's weak pass defense. In the last period, Randy Peyton made the last Hermon touchdown of the day by slashing off-tackle. Bob Lunetta again scored for Vermont, his second and his team's fourth. This ended the scoring for the day. When the scoreboard keepers had finally disentangled themselves from their confusion and the smoke of the high-scoring battle had cleared, the board read 46-24 in favor of the Maroon team, which finally felt as if it had successfully wiped out the memory of the two weeks before.

The climax of Mount Hermon's football season came on November fifteenth. The entire Hermon student body traveled to Deerfield to witness the third Deerfield trampling in as many years. Hermon scored its first Deerfield shutout by smearing the Green 27-0. The day was cloudy and slightly damp, but the team was brilliant, playing inspired ball before the huge crowd of rooters. While Mount Hermon's offensive team rolled up 438 yards during the afternoon, Deerfield's top-seeded machine was stopped cold. It is impossible to decide whether the offensive or the defensive unit played better ball, for both were as keen as a hard season could make them. The first touchdown came on a quarterback sneak from the two-yard line by Ashcraft. Lanphear's conversion attempt was wide. Soon after, Randy Peyton, playing perhaps his best game all season, intercepted a Deerfield pass. Capitalizing on the break, Bobby Bates drove over the goal for the second score of the period. Lanphear's conversion was good, making the score 13-0. Late in the second period, Billy Holmes took the ball and skirted end for the third Maroon touchdown. With the half almost over, Deerfield took possession, but promptly lost it by fumbling. Dick Beers recovered, and Mount Hermon threatened to score again, but the gun sounded with the ball resting precariously on Deerfield's one-yard line. In the third stanza the Green made its only serious challenge of the afternoon, but the threat ended when Hermon recovered a fumble on its own ten-yard line. The game was scoreless for a time, but in the last fifteen minutes of play, the Maroon once more started to smash its way toward the Deerfield goalposts. Bob Bates and John Ballin set up a touchdown with their long runs, and Ashcraft chucked a pinpoint fifteen-yard pass to Billy Holmes, who picked up his blockers beautifully and scampered the rest of the way to Mount Hermon's last touchdown of the year. Deane Lanphear's boot was perfect, and the Maroon led 27-0. Deerfield took over the ball again, but the airtight Hermon defense again held their rush down to nothing. The gun soon sounded, and a jubilant team carried Coach Rineer from the field on its shoulders, shouting a happy finish to a great season.

Front row: R. Denning, R. Handy, F. Fischer, K. Lindfors (Co-Capt.), A. Payne (Co-Capt.), J. Peng, K. Farrar, F. Kumm, R. DuBois. Back row: Mr. Wyman (Coach), W. Dadge (Mgr.), G. Hamilton, J. Spangenberg, J. Taylor, J. Katz, D. Weinstein, T. Tuttle, C. Backus, D. Burgess, Mr. Scheffer (Coach).

SOCCKER

ALTHOUGH he had only four returning lettermen this year, Coach Wyman was able to mold a powerful team. This comparatively new squad, full of action and spirit, proved to be a winning combination.

Opening their very successful season, the soccer team defeated a strong Springfield Freshman aggregation by a score of 2-1. The first period proved to be a contest of the two defenses, but in the second half Jack Peng opened the scoring by faking around the fullbacks to boot one in. Then the Frosh swung their big guns into action, but were successfully thwarted by Backus, Katz, and Farrar until the last period, when they finally succeeded in putting one in. The game ended at 1-1, but two overtime periods were played. A quick break on a pass from Al Payne to Jim Taylor finally put the deciding goal through the posts for the Maroon.

Returning home, the Wymen were overpowered by a strong Williston eleven, 3-1. Hermon repeatedly pushed deep into Blue and Gold territory, only to be repelled each time. The Maroon scored its only goal on an accurate pass from co-captain Al Payne to Tom Tuttle, who smashed the ball past the Williston goalie and into the net. Despite the unceasingly brilliant defensive playing of Katz, Fischer, and Farrar, Williston tied the score in the first half and went on to score twice more in the second half.

Traveling to Williamstown the following week, the booters received their last defeat of the season from a strong Williams College freshman team, 4-2. From the starting whistle, it was apparent that the game was going to be a

battle all the way. The score at half-time was tied up 1-1, with Hermon's one tally coming from the foot of inside-right Al Payne. The Frosh quickly scored in the third period to make it 3-2, but Lindfors put the ball into the enemy net just before the end of the latter half forcing the game into an overtime. In the second overtime period, the Frosh line took fire and pushed two quick goals into the Hermon net to win the game.

A powerful Hermon squad invaded Amherst to defeat the University of Massachusetts Frosh, 4-0. Peng and Spangenberg started the game off with two quick goals. In the second half, the Hermon attack connected for two more goals, one by Taylor and the other by Payne. Fine defense play kept the men from Amherst scoreless.

The Maroon depended on teamwork and fine spirit to engineer a surprising upset by edging out Wilbraham, 2-1. The team's accurate passing paid off in the second period, when Weinstein scored on a pass from Payne. From that point on, the game was fast and furious. Taylor pushed another goal in, giving the Maroon squad a two-point edge. The raging Wilbraham team scored once in the third quarter, but from then on Hermon's redoubtable defense held them to midfield.

The final game of the season was a fight to the finish with Deerfield, ending in a 2-2 tie.

Deerfield pushed in a goal in the first period, but Farrar and Company succeeded in thwarting further Deerfield attempts at the net until the third stanza, when the Green scored on a penalty kick. Again it was Hermon teamwork that saved the day. The boys in maroon played a very tight game throughout, passing well and keeping the ball deep in Green territory. Perhaps the most outstanding example of this was the scoring of Hermon's first goal. Lindfors passed to Peng through a forest of Deerfield backs, and Jack headed the ball into the goal. It was only fitting that co-captain Lindfors should save the last game of the season by scoring on a penalty kick, tying the game up 2-2 and sending it into two overtime periods, during which both teams failed to score again.

If a team could be judged as a winning team or a losing team on the basis of spirit alone, the soccer team would be our nomination for the winner. Few teams had as good a time, yet had the seriousness of purpose that the 1952 Wyman had. The strength of any team depends largely on the quality and spirit of its substitutes, and the soccer team's subs were among the best it has ever had. The team itself is worthy of congratulations, but especially does Coach Wyman deserve recognition for his persistence and ability in molding such a winning team.

Front row: D. Kelly, R. Dixon (Capt.), R. Perry, D. Jansky, A. Newton, J. Snead. Back row: Mr. Greene (Coach), C. Woodring (Mgr.), R. Byrne, P. Redman, W. Lange, D. Jones (Mgr.), Mr. McVeigh (Coach).

CROSS-COUNTRY

UNDER the capable captainship of Bob Dixon and the superb coaching of Mr. McVeigh the 1952 cross-country team ended the season with a record of three wins and two losses in dual competition and a spectacular victory in the New England Interscholastics held at Andover Academy.

On October 4 the team successfully opened the season by defeating the Springfield Freshmen 26-30 at Springfield. Dixon, Lange, and Byrne finished in the first five. The following week the horriers lost to a very strong University of Massachusetts freshman team 24-32 on the home course, with Lange, Byrne, and Perry taking fourth, fifth, and sixth, respectively. On October 22 the harriers suffered defeat at the hands of Deerfield by the score of 22 ½-32 ½, although Dixon placed first only 1.4 seconds off the Deerfield course record. The next four Hermon runners were Byrne, Newton, Perry, and Lange. The next week a fighting-mad team bounced back at the expense of Choate, whipping them by a perfect score, as Dixon set a new course record and was closely followed by Walker, Byrne, Lange, and Perry. Still riding high, the team then won the New England Interscholastics by a low score of 33. Dixon, Byrne, and Perry finished second, fourth, and fifth, respectively. At Williams the next Wednesday the team capped its successful season by downing Williams Frosh 19-36, as Dixon, Byrne, Newton, Perry, and Kelly took the first five places for Hermon. On November 18 the annual Bemis Pie Race was run, and the first three places were captured by Dixon, Perry, and Kelly.

Although they lost two meets, the 1952 cross-country boys placed their team among Mount Hermon's best by their magnificent showing at Andover as well as by their driving spirit, which spurred them to several impressive records.

SWIMMING

THE 1953 Mount Hermon mermen lost all five of their dual meets and finished last in the Trinity Interscholastics. Although the season proved unsuccessful, there was much spirit exhibited by the team, which was jovially, but competently coached by Messrs. Bauer, Jewell, and Whyte.

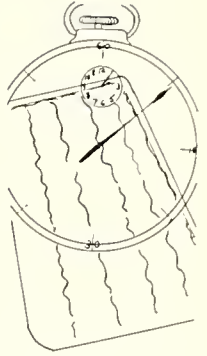

In the first meet of the season, the tankmen fell before Worcester Academy in a close battle, 42-34. A fraction of a second in any one of numerous events would have meant the difference between a win and a loss. Hermon's only firsts come in the 150-yard medley relay and the 200-yard medley. The Maroon took five seconds.

The second meet of the season proved a hoax, as a star-studded Williston team, later to become Champion of New England, merely toyed with the home team, winning 53-22. Two pool records fell by the way as Williston took almost every first and second. On the whole, it was a rather dissatisfying afternoon for the Maroon.

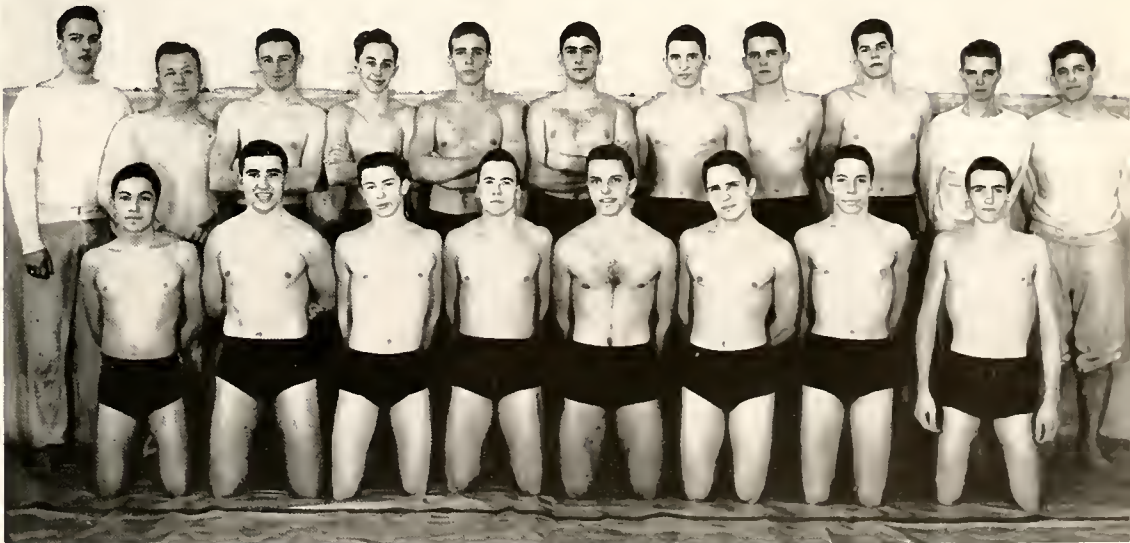

During the next two weeks, Hermon lost close meets to Amherst and Trinity freshmen, 42-33 and 45-30. Again it was a case of split-second finishes.

On the twenty-first day of February, Hermon, expecting a win at last, fell miserably before a strong Deerfield team, 56-19. Lehman was the only Hermonite to take a first, this coming in the 150-yard individual medley.

Though the 1953 swimming team was not a winning combination, all its members agree that they had a wonderful time. Mr. Bauer summed up the season well by saying, "Well, at least we finished second in all our dual meets."

First row: W. Dixon, R. MacKinnon, J. Buswell, C. Lehman, F. Fischer (Capt.), E. Hosbrouck, G. Conoble, C. Ormond. Second row: C. Weist (Mgr.), Mr. Whyte (Coach), T. Warwick, L. Abel, B. Bradley, E. Said, W. Young, W. Steele, G. Kreye, R. Hubbard (Mgr.), Mr. Jewell (Coach).

BASKETBALL

THE 1952-1953 Mount Hermon basketball team was the best in the school's history. The team finished the year with a record of 18 wins and two losses, tournament play included. It reached the semi-finals of the New England Prep School Tournament before finally succumbing to Admiral Billord Academy in the Boston Garden.

The Maroon opened the season by defeating Cushing Academy 62-51 at Ashburnham. No Hermon team in history had ever defeated a Cushing five on the Cushing floor, but the Maroon made that only the first of its records. Reuben McDaniel led the scoring with 18 points.

The Hermon hoopsters had a comparatively easy time in their next three games, first downing Kimball Union Academy 52-36 on the loser's floor. Then they avenged the football team's loss to Choate by taking the measure of the Wallingford basketekers 52-27. Third, the Maroon trampled Wilbraham 72-30 on the Hermon hardwood. In each of these encounters big Reuben McDaniel was the high scorer with, respectively, 17, 16, and 15 points. Bob Bates and Captain Jon Snead both hit double figures in the latter two games, while diminutive Al Payne netted 12 points in the Kimball Union game.

Mount Hermon ran into trouble in its next two clashes, but managed to preserve its winning streak, making it six straight. First the Maroon defeated a stubborn Vermont five at Mount Hermon before a large Saturday evening crowd. At the end of the hot contest Hermon was on top by the score of 56-47. McDaniel made his first strong bid at the record in this game, drop-

ping in 31 big points. In the next game Herman had even rougher going, as they squeaked out a 65-60 victory over the Green of Deerfield on the Deerfield home court. Again McDaniel took a shot at the record, but again he fell short with 30 tallies. Snead, Bennett, and Bates aided the cause with 11, 10, and 9 points, respectively.

The Maroon breezed through its next three engagements, downing Williston 57-41 at Williston, KUA 70-31 at home, and Wilbraham 56-36 on that school's newly-constructed court.

The next week was the hardest of the season. After pulling a victory out of the bag against Amherst Frosh on the huge Amherst floor, the Hermon five fell before the spirited squad of hoopsters from Vermont. After trailing by as much as five points in the last period, the Maroon ran Amherst into the floor to the tune of 59-52. The next game was a dismal affair. Playing on the pocket-size Vermont floor, Herman was scrubbed by the score of 62-45. Jon Snead was the only Hermonite in double figures, scoring 11, while Reuben was held to a total of 7.

Following this painful defeat, the enraged Maroon bounced back with wins over Cushing, Williston, Deerfield, Stockbridge, Loomis, and Greenfield. Williston fell 66-49 before the Hermonites, who were led by Reuben McDaniel and

Bob Brown with 23 and 18 points. Deerfield toppled to the Hermon axe, as big Reub finally succeeded in breaking the old record by tossing in 34 points. Against Stockbridge it was Snead leading the pack with 11, as Hermon won 74-32. Loomis and Greenfield fell 74-47 and 56-53, with McDaniel netting 30 in the latter game.

Maunt Hermon received an invitation to the New England Prep School Tournament and in the quarter-final game easily defeated Monson on the Deerfield court by 76-55. Reub again dumped in 34 points. In the semi-finals, however, Admiral Billard Academy finally smashed the hopes of the Hermanites, although McDaniel hooped in 19 points in the losing cause. Many Mount Herman rooters were at the Boston Garden to see the game, which was played just after the start of spring vacation.

Other records set by the Maroon this year were numerous and impressive. Reuben McDaniel set a season scoring record by throwing in over 300 points. In compiling the best over-all record in Hermon's history, the Maroon, led by McDaniel, Jan Snead, Bobby Brawn, Bob Bates, Al Payne, and Don Bennett, in that order, hooped in the amazing total of over 1000 points. Future teams will have to be more than exceptional to beat these impressive records.

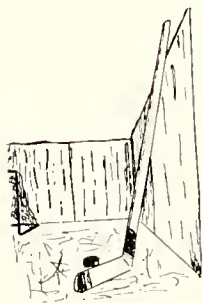

HOCKEY

First row: P. Brown, D. Lanphear, G. Carlson, K. Farrar (Capt.), F. Barteaux, G. Wagner, R. Beers. Second row: Mr. Wyman (Coach), F. Beardsley, P. Quentin, R. Cass, R. Pyper, T. Rich (Mgr.), Mr. Westlin (Coach).

EXHIBITING rare spirit and smooth teamwork, the Mount Hermon varsity hockey team finished its season with a record of six wins and six losses. This tally includes the games played in the Lake Placid Tournament, in which Hermon took a fourth place in a field of eight contesting schools. In the tournament competition, Hermon lost to Milton 4-3 and to New Hampton 10-5, but defeated Brooks 4-1. In these games, both Brown and Lanphear got "hat tricks," that is, each scored three goals in one game. Lanphear was the high scorer for the season with thirteen points. He was followed by Paul Brown, who netted eight.

The season began poorly, as Hermon lost to Deerfield by the score of 5-0. The Maroon defense fought well, but was overpowered in the spray from poor ice. Next the squad traveled to the Springfield Arena, where they took the measure of Williston, 5-1. Carlson, Brown, and Beers each got one goal, and Lanphear socked in two. Returning home, Hermon next defeated Vermont 3-0, Brown, Beardsley, and Lanphear scoring. In the annual Alumni-varsity game, the Wymen defeated the old boys 4-2. Lanphear, Barteaux, Beardsley, and McAllister scored. However, in their next game, they once again succumbed to Deerfield 3-1. After that loss, the Maroon got back on the winning trail for one game at the expense of KUA, 2-0, but KUA then defeated Hermon 1-0, although goalie-captain Farrar made seventeen saves. Back on the home rink for Founder's Day, the squad played brilliantly to defeat Williston 4-2. The scoring in this game was done by Warner on a solo and Lanphear, Pyper, and McAllister on assists. In their last game, the Wymen fell before Cushing 3-2. Although the record of the team is not necessarily spectacular, the season was an outstanding one.

SKIING

HAMPERED as usual by a lack of snow, the varsity skiers, coached by Mr. Stearns and captained by Pete Redman, finished the season with a record of two wins in dual meets and intermediate places in three carnivals, a creditable record when it is realized that but three of last year's lettermen returned to the ranks.

Starting off the season on the home hills, the snowmen defeated Brattleboro High School 199.23-174.68. Scruton took first in the jumping and was followed by Shafer and Hausamann, who tied for third. Captain Redman assured Hermon's victory by winning the cross-country in record time.

Their hopes still high on Founder's Day, the Maroon took Deerfield 194.96-191.70. Hermon's points were piled up by Scruton, who took first in jumping and third in cross-country, and by Curtis and Redman, who took first and second, respectively, in the cross-country division of the meet.

The first disappointment came when Mount Hermon fell behind the field at the KUA Winter Carnival. Kimboll Union, Vermont, Deerfield, and Mount Hermon finished for team honors in that order. Traveling to Cushing the following week, the outdoorsmen captured second in the carnival there, finishing behind Vermont and ahead of Deerfield and Cushing. In the last carnival of the year, held at Vermont, Mount Hermon finished fourth in a field of four, trailing Vermont, Dublin, and Harvard Freshmen. With five lettermen returning next year, it looks like a better year, which injects a bit of hope into the frustrated designs of this year's squad.

First row: T. Shafer, P. Redman (Capt.), K. Scruton. Second row: B. Sherman (Mgr.), E. Hausamann, A. Newton, P. McKean, M. Curtis, S. Phillips, Mr. Stearns (Coach).

Been great knowing you
& enjoying your music.
Good luck in the future.

WRESTLING

ALTHOUGH the 1953 Mount Hermon wrestling team did not enjoy a winning season, it did not lack good grapplers, as shown by its second-place finish in the Western New England Championships. Considering the schedule it had to face, Mount Hermon may well be proud of its mat team.

On January seventeenth the Maroon started on the right foot by downing a tough Williams College Frosh team in an uphill fight, 19-15. After Johnny Leyden won his match, Hermon lost three decisions before Randy Peyton put us back on the winning trail by pinning his man in the 157-pound class. Following this, Gordy Peckham, Gus White, and Steve Rogers all won, giving Mount Hermon the victory.

Though they fought hard all season, this was to be the grapplers' only victory. In the following weeks they fell before Exeter 27-7, Choate 32-3, Amherst Frosh 24-5, and Laomis, the Western New England Champs, 29-9. In the Exeter meet, Leyden fought to a draw and Jim Appleton was able to pin his man. The following Saturday, Appleton was the only Hermonite to come up with a victory, winning a decision in the 157-pound class. Against the Amherst Frosh, Peyton won a decision in the 167-pound class, and Appleton came from behind to gain a tie. In the last dual meet of the year, against Loomis, Leyden, Broughton, and Appleton all won decisions to give Hermon nine points.

On March seventh at Springfield, the Maroon finished the season in good shape by taking second place in the Western New England Interscholastics. Jim Appleton, Mount Hermon's only undefeated wrestler during the regular season, maintained his record by winning the Western New England Championship in the 157-pound class. Captain Gus White, Jerry Huckabee, and Dave Simmerer copped second-place ribbons for the Maroon, aiding the team cause. The team finished just behind Loomis.

Taken as a whole, the season was unsuccessful, but the placing in the Interscholastics put the 1953 matmen on a par with other well-remembered wrestling teams.

BASEBALL

WITH a minimum amount of time allotted him, Coach William Rineer has molded a good-looking baseball club to face the early season and the sharp competition this year. Although at the time of this writing the Maroon has had but one encounter, the prospects of a successful season seem promising.

On April 11 Mount Hermon met Greenfield High School in a practice game and soundly defeated the Greenies by the score of 8-1. In this game much evidence was shown which pointed up the depth of each position. Numerous substitutes played very well during the latter half of the game.

After opening the regular season against Amherst Frosh on the 18th of April, the Maroon will face Cushing, Wilbraham, Kimball Union, Springfield College Frosh, Lawrence, Williston, Deerfield, and Vermont. The complete schedule calls for fourteen games. Last year's nine finished a 15-game schedule with an eight-and-seven record.

As the opener approaches, the infield shapes up as follows: Roger Conant or Dick Beers at first; Ed Sundt at second; Bob Ashcraft covering shortstop; and Bobby Brown at third. The outfield positions are filled by Dan Bennett, Johnny Snead, Dick Chagnot, Kent Scruton, and Johnny Cayward. Mal Brown and Howie Stiles are doing the catching chores. On the mound, a position greatly weakened by the losses of Lefty MacIvor and Gerritt VanderVeer to injuries, are Mark Federman, Charlie Wood, Ray Byrne, and Bob MacKinnon. The two injured hurlers were slated for starring rôles, but the rest of the staff is filling the gap so capably that the loss should not be felt acutely. Three players are three-year lettermen; Bob Ashcraft, Mal Brown, and Dan Bennett. Two others, Howie Stiles and Mark Federman, are playing their second year of varsity ball. These veterans, besides adding an inner confidence to the team, provide a good deal of pepper and snap. It is this spirit that has taken so many Hermon teams to victory and which should again prove invaluable to the spring edition of the Rineermen.

TRACK

First row: R. Peyton, J. Roberts, G. VonderVeer, W. Longe, R. Dixon, R. Perry, R. Dubois, W. Holmes (Capt.), R. McDaniel, N. Porter. Second row: E. Housamonn, F. Fischer, R. Chutter, E. Hasbrouck, R. Jensen, C. McHose, E. Wiberg, M. Curtis, B. Brodley. Third row: T. Little (Mgr.), D. Kelly, R. Cass, J. Simpson, R. Swetland, S. Howe, D. Walker, J. Vernon, S. Rogers (Mgr.). Fourth row: D. Bartholomew, R. Bates, P. Owen, R. Hassell, J. Reynolds, W. Owen, J. Ballin, K. Jones. Fifth row: Mr. Greene, Mr. Snow, Mr. Burdick, Mr. Forslund, Mr. McVeigh (Cooches).

THE 1953 track team takes the field with very good prospects of retaining a four-year winning skein, although the competition this year promises to be much keener than it has been recently. With ten returning lettermen bolstering the ranks and several new boys providing fresh competition, the team whipped speedily into shape for its first meet at Vermont Academy, which it won handily by the lopsided score of 72-45. The runners all but swept their events, and the field men added to the number of first places to give Hermon nine firsts and seven seconds in all. The team veterans were outstanding. Captain Bill Holmes won the high hurdles, Reuben McDaniel won the shot put and high jump, Don Burgess dominated the sprints, and old standbys Walker and Lange came home in the mile. Several new boys stood out in this meet, Wiberg, Bates, and Kelly turning in good performances.

The following week Cushing visited the Mount Hermon oval and was completely crushed by the landslide score of 91½-25½. Cushing picked up most of its points in the sprints as their little watch-charm sprinter, Carter, outdistanced the bigger Hermonites, but the rest of the meet was a shambles. Mr. McVeigh's runners swept the first four places in the mile and half-mile and took the first three in the 440. In the mile it was Walker, Lange, and Wiberg in the time of 4:58; in the half Dixon, Bartholomew, and McHose in 2:06; in the quarter Bates, Ballin, and Dubois in 53 seconds flat. McDaniel and Holmes each won two events. Ross and Curtis accounted for a blue ribbon apiece. In all, the Maroon captured nine firsts, twelve seconds, and swept seven events in all. Truly an auspicious beginning for what is hoped will be the fifth undefeated season for the Maroon cindermen.

LACROSSE

SO far this spring the varsity lacrosse team's outlook has been a dismal one. The team has faced five opponents and has been victorious in only one of its games. With four teams left to play, those including Deerfield and Exeter, the prospects are indeed slim for a winning season.

In the first game, against the Harvard Freshmen, the Maroon fell by the score of 15-7. The scoring was well-spaced, although Jim Appleton, this year's captain, netted three goals for the losing cause.

On April 18 the stickmen were completely outplayed by Andover, the final score reading 14-4. Appleton was again high scorer with three goals.

Next the Maroon dropped a close decision to Dartmouth Freshmen by 6-2. Playing very well against this reputedly powerful team, the Hermonites could have, with a few breaks, reversed the score. The defensive team was outstanding in this game.

In its first victorious conquest of the year, Mount Hermon upset Manhasset of Long Island 8-7 on the home field. In this game Herman for the first time displayed the teamwork of which it is capable. High scorer was Jack Peng, who netted three goals.

In a rough game marked by many penalties, the Maroon dropped a decision to Choate by the score of 7-4. The game was hard and fast from the opening whistle, and before the final gun sounded, more than thirty players had left the field on penalties.

Although hampered greatly by this poor start, the Wymen still have hopes of salvaging the season before meeting Deerfield on the 27th of May.

First row: A. Newton, K. Eckel, K. Farrar, J. Appleton (Capt.), F. Rogers, R. George, R. Engvall, W. Rhodes. Second row: Mr. Torrey (Coach), F. Beardsley, G. Huckabee, J. Leyden, R. Higgins, G. Hamilton, J. Peng, Mr. Wyman (Coach). Third row: D. Schultz, F. Storms, M. Strohson, C. Weist, A. White, C. Bockus, R. Pyper, A. Glockler (Mgr.).

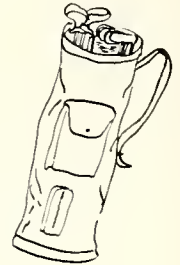

GOLF

IN the spring the fancy of many young Hermonites turns to a sport whose sole object seems to be knocking a small ball as far as possible and then chasing it. This year, as always, passersby in front of Coach Baldwin's house are in great danger of being struck by stray balls from the miniature golf course situated there. In the past four years golf has increased tremendously in popularity and, as a result, promises to boast one of the best records this spring.

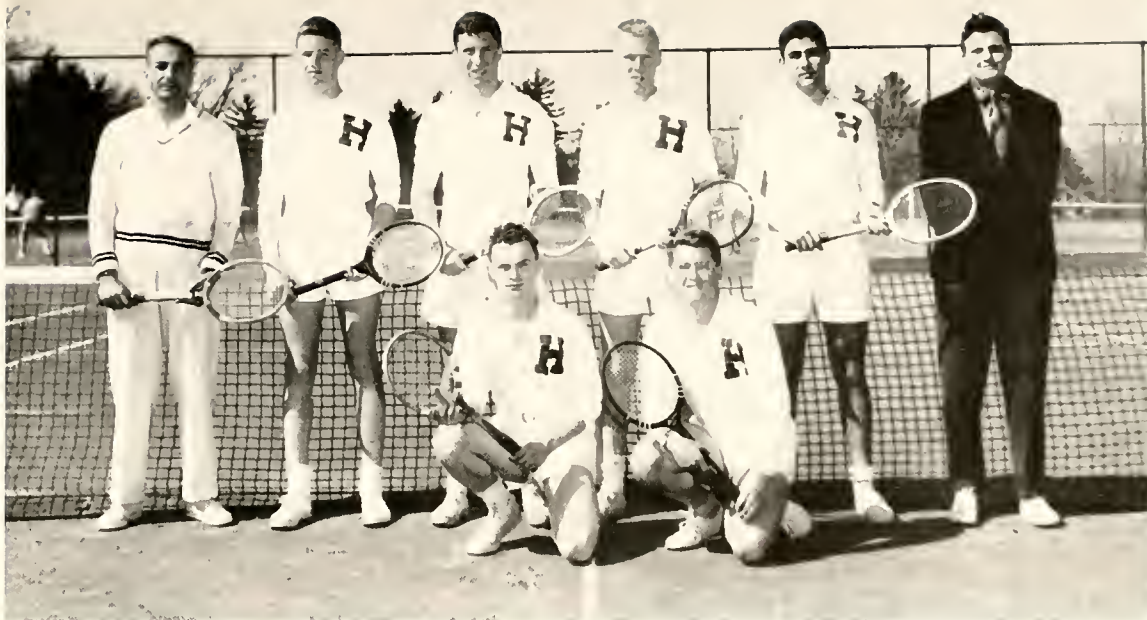

Headed by co-captains Deane Lanphear and Frank Barteaux and capably instructed by Mr. John E. Baldwin, the team seems to be rounding speedily into shape at this writing. The three returning lettermen who form the core of the squad are Lanphear, Barteaux, and Bill Young. Among the foremost contestants for the other two positions on the team are Glenn Warner, Al Payne, and Ronald Welburn. Following close behind these men are numerous competitive players, any of whom have the opportunity to gain berths on the varsity squad, should they come up with good rounds. The team uses the Northfield Hotel's golf course for weekday practice and home meets.

A rigorous schedule faces the team as it enters its season. The scheduled meets are with Holyoke High School, Amherst College Freshmen, Springfield Tech, Nichols Junior College, Kingswood Academy, and at the Eastern Prep School Tournament. There are to be two encounters at home and five on foreign courses. The high point of the season comes, oddly enough, after graduation, when the team, after completing its regular season, travels to Yale to participate in the Eastern Preparatory Schools Championships. This tournament takes place on the eighth, ninth, and tenth days of June and is attended by the better golf teams of preparatory schools all over the eastern states. The team that represents Mount Hermon this year at the tournament should be one of the strongest in recent years, despite the good records of other Hermon teams. Although it has no outstanding stars, the team has a depth of good talent, which should make it a winning combination.

First row: F. Barteaux (Co-Capt.), W. Young, D. Lanphear (Co-Capt.). Second row: D. Coates, A. Payne, R. Salisbury, R. Corlson, R. Welburn, G. Warner, B. Greenspan, Mr. Baldwin (Coach). Third row: P. Hagen, D. Nelson, D. Sampson, D. Field, E. Snyder, D. Salomon.

First row: R. Boyle, P. Besserer. Second row: Mr. Alexander (Coach), C. Ravndal, R. Sharp, J. Taylor, E. Soid, H. McClure (Mgr.).

TENNIS

THERE is but one returning letterman this year, but the general outlook for the varsity tennis team is good. In spite of the lack of varsity experience, there are several players who have spent much time on lower squads gaining valuable experience. The lone returning letterman is Christian Ravndal, who spent the spring of 1952 playing sixth man on the singles squad. Others on the varsity are Edward Soid, Ron Sharp, Ross Boyle, Peter Besserer, and Stanley Peck. Soid played junior varsity most of the 1952 season, but was promoted to varsity for the last few matches. This is Ron Sharp's first season as a Mount Hermon netster, but he has been varsity material for two years. If he had been a tennis player last year, he probably would be the second returning letterman. Pete Besserer is a draftee from last year's junior varsity, as is Ross Boyle. The one new boy on the team is Stan Peck, who hails from Forest Hills, the home of fine tennis and famous tournaments. A last-minute acquisition is Jim Taylor, who has played recreational tennis this year before being drafted by the varsity. Peck is the only non-Senior on the varsity team.

At this writing the squad is rapidly rounding into shape for the early season, as all other teams are. But, although it has shaped up rapidly, the net team seems as strong, if not stronger than last year's fine team. Under Mr. Alexander's skillful direction the team hopes to better the 6-5 record of the 1952 edition. From present indications, they should do this easily.

This year's schedule is a tough one. It includes eleven dual meets and the New England Interscholastics at Deerfield late in May. The season gets under way when the Maroon meets the Springfield College Freshmen on the Hermon clay courts. This meet is followed by encounters with Wilbraham Academy, Kimball Union Academy, the University of Massachusetts Freshmen, Deerfield Academy, Williston Academy, Vermont Academy, and the St. Paul's School, all of which should prove good tests to the mettle of the 1953 varsity tennis team.

IN RETROSPECT

IT is finished. Four years of hard work and endeavor are at last ended. As we leave Mount Hermon, we find it impossible to go without some sentimental longing to be Sophomores or Juniors again. Graduation seems to be the end of life for many of us who have come to appreciate and love Mount Hermon deeply.

Yet, if we reflect a few moments, we will discover that graduation is not the end of Mount Hermon. Rather, it is the beginning. It is not until after we leave the hill that we begin to fulfill its purpose. Hermon has prepared us for this fulfillment in every way possible. Honest striving being our method, we cannot fail anything.

Though every tiny facet of Hermon life has contributed to our makeup, there are two outstanding ones that have influenced us. First, we have been given an education that can hold its own anywhere. Second, and more important, we have learned the reliance upon something greater than ourselves for guidance and help. Here is Mount Hermon's purpose realized. With confidence in our own abilities and faith in God, let us begin to fulfill the purpose of our four years of labor.
